

Full Commander's goals:

1. Financial Transparency & Critical Budgeting

We will demystify the Post's finances, so every member understands our operational realities.

- The Bottom Line: Establish complete financial transparency with the membership by providing clear visibility into our fixed operating costs.
- Action Plan: Prepare and execute a disciplined, critical operational budget.
- Engagement: Educate the membership on how fixed costs impact operations, fostering active ownership and participation in the revenue-generating events that keep our doors open.

2. Operational Modernization

To remain compliant, efficient, and modern, we must fully transition our administrative operations into the digital age.

- Action Plan: Strictly enforce and accelerate the transition to electronic recordkeeping, including electronic audit forms and a centralized electronic filing repository.
- Compliance: Ensure all administrative and financial records strictly adhere to the standards outlined in our National By-laws.

3. Institutional Growth & Succession Planning

Active planning today ensures our Post's survival tomorrow. We will establish the structural foundations necessary for growth.

- Committee Stand-up: Officially charter and assign clear responsibilities to the Recruiting Committee and Investment Committee to drive growth and strategic financial planning for our future.
- Leadership Succession: Build a formal mentorship framework Utililzing the Department VFW University and on site training to transition knowledge to new members, empowering the next generation of Post Leadership.

4. Partner & Auxiliary Alignment

We do not operate in a vacuum; our strength lies in our collaborative relationships.

- Action Plan: Further solidify, integrate, and champion our relationships with our vital post partners, specifically the Post Auxiliary, ensuring unified support for joint community and veteran initiatives.

- Cultivate relationships with other veterans organizations to strengthen our service to our veterans in our community.
